

## Overview

### Product information

**FEAC-V-02-22070000003**

Fixer for vehicle plugs, used on charging piles of charging stations (EVSE)

### Product advantages

☒ Certified to IATF 16949:2016

### Product certification

## Technical data

### Product drawing

### 3D model

☐

### Environmental conditions

Ambient temperature (operation)

-30 °C ~ 50 °C

Ambient temperature (storage / transport)

-40 °C ~ 80 °C

### Mechanical properties

Vehicle plug fixing

Use spring to lock the gun

Uninstall the vehicle plug

Press and remove

### Installation

Available installation location

Installation in front of the board

Limit of the installation location

Only allow 0 to 90 degrees frontal tilt

Mounting hole diameter

5.00 mm (ø)

### Marking material

|                     |                                             |
|---------------------|---------------------------------------------|
| Shell color         | black                                       |
| Customization basis | Provided according to customer requirements |
| Flammability rating | V0                                          |
| Marking material    | Plastic                                     |

#### Environmental Product Compliance

|            |         |
|------------|---------|
| REACH      | conform |
| China RoHS | conform |

#### Dimension

|               |               |
|---------------|---------------|
| Depth         | 81.9mm        |
| Hole diameter | 58 mm x 61 mm |
| width         | 98.5mm        |
| Height        | 98.5mm        |

#### Accessories
